5. No separador Students pode convidar os seus alunos.

The screenshot shows the Sutori interface with the 'Students' tab selected. The top navigation bar includes 'Stories', 'Students', and 'Resources'. A green progress bar and a 'PS' icon are visible in the top right. The main content area is titled 'Students' and features a large blue 'Invite students' button. To the right, under the heading 'Why invite students?', there is a list of benefits: 'Access student work at any time and provide feedback', 'Stats: quiz results and time spent on projects', and 'Grants Unlimited access to students if you upgrade'.

6. No separador Resources, pode pesquisar outras experiências de aprendizagem.

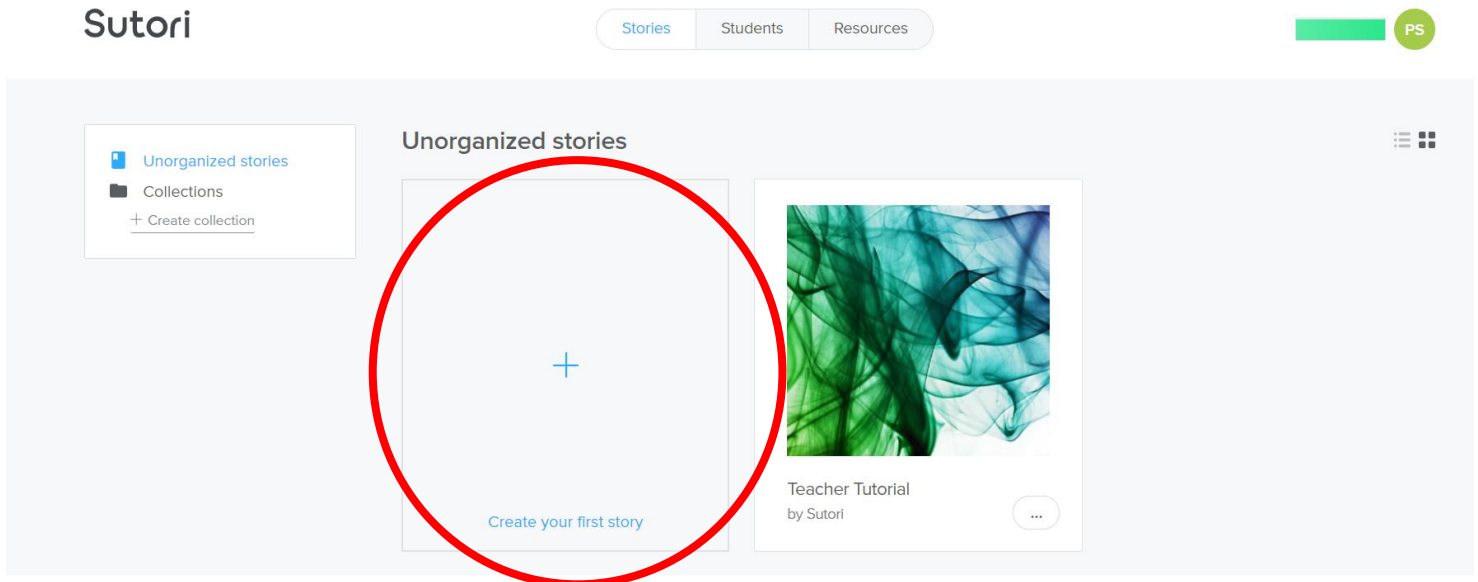

The screenshot shows the Sutori interface with the 'Resources' tab selected. The top navigation bar includes 'Stories', 'Students', and 'Resources'. A green progress bar and a 'PS' icon are visible in the top right. The main content area is titled 'Resources' and features a sub-tab 'Editor's Picks'. Below this, the heading 'Guiding Packs' is displayed. A horizontal row of category buttons includes 'Social Studies', 'English', 'Mathematics', 'Science', 'Arts, Music, Languages...', 'Elementary', 'Higher Education', and 'Activities & Templates'. Below the buttons, there is a large image of a wooden surface with a white banner that says 'EXPLORE' and an arrow pointing to the right.
